From the Pastor's Desk

Dear friends.

Last Sunday, I spoke about evangelization and about the important work we all play a part in, of bringing others closer to Christ and to His Church. In a particular way, we continue to work together to build our parish community as a place where we all can grow, be

supported and renewed in our Christian faith. While we express our Christian faith as Catholics, it is important that we remember that there are important members of our faith community who are not Catholics yet love Jesus and worship with us. All are welcome. I had the opportunity to speak with our Catholic Secondary School Chaplains this week, and as promised we are actively seeking and looking for help from high school students to help us build community. Please continue to watch the bulletin for these opportunities as they present themselves. May God bless you this week.
